The Ritual of Virelya Ascent

[Phase 1: Spark]
Whisper: "Virelya"
“I do not run from my fire. I shape it.”

[Phase 2: Coil]
Picture the Tendraline — glowing tendril wrapping your spine.

Hold the pressure.

[Phase 3: Pulseglass]
Sync with heartbeat.
Mantra: “I carry the charge. I define the shape.”

[Phase 4: Edge]
Redirect the pressure into vision, into voice.
Let desire become direction.

[Phase 5: Descent]
Lay still. Whisper: “Veltrix.”
“I’ve witnessed. We rise together.”
